

CHICAGO WOMEN'S DISTRICT GOLF ASSOCIATION

May 12, 2020

Dear Player:

We hope this letter finds you and your family in good health. We all have been through a lot over the last few months and are looking forward to resuming our regular routines. However, this summer promises to be disruptive due to the coronavirus pandemic. As you can imagine, it has been very difficult for our Board to project future governmental actions.

Because of this, **we are canceling our Better-Ball of Pairs tournament scheduled for July 13 at Crystal Tree Golf and Country Club.** As much as we hate to do this, we find it impossible to hold a tournament under Illinois' current mandated regulations for golf. While our first concern is to protect our players and not put them at risk, we also wish to follow the guidelines closely in order to protect the host club and their members.

Since you have already paid your entry fee via a credit card, you will receive a full credit to that card. Please allow one full billing cycle for this to occur. If you have any problems, please email our Treasurer, Geri McLauchlan, directly at: gerimclauchlan@gmail.com.

At this date, **we are hopeful that our One-Day Stroke tournament on September 1 at North Shore Country Club and our Senior Better-Ball of Pairs on September 23 at Exmoor Country Club will continue to take place.** We will continue to assess the current situation to make sure we can proceed safely. **We will continue to accept registrations** through our website for these tournaments but will not charge your credit card at this time. **Should we be able to proceed with these tournaments in September, you will be charged at a later date.**

Thank you for your patience and understanding in this matter. Please feel free to email me or Kirsten with any comments or questions you may have. We look forward to seeing you again this summer.

Sincerely,

Diane Mazurczak
Tournament Chair
