## INSTRUCTIONS FOR CLUB RULES CHAIR 2018

The Rules Chair is responsible for:

**RULES COMMITTEE:** The Rules Committee should be composed of the Rules Chair and two other members. The Chair and her Committee should keep all members informed about the conditions of each competition and the Rules in force. The Chair and other Committee Members should familiarize themselves with *The Rules of Golf*. The Committee is responsible for the proper application and interpretation of *The Rules of Golf*.

**RULES BOOKS:** Copies of *The Rules of Golf*, effective January, 2016, should be made available to all players. 2016 was a Rules and Decisions change year. USGA Decisions books and USGA Rules books will be available for sale at all CWDGA meetings, match play events and tournaments. A copy of the *2016-2017 Decisions on The Rules of Golf* should be kept in the women's locker room at each club.

**POSTING RULES:** The Rules Committee is responsible for posting, in advance of play, the regulations and rules governing all scheduled events.

**DECISIONS ON GOLF RULES:** The Rules Committee decides any questions or claims that may arise. The Rules Chair and the other members of the Rules Committee should be prepared to supply general information about the Rules of Golf. The Committee should decide any Rules question that arises during scheduled play. In order to make a fair and amicable resolution of questions or claims the Committee should:

*Assemble the facts. Find the Rule that pertains to the situation. Ask those involved to read the Rule or Rules that apply to the situation. Distinguish carefully between Rules for match play and those for stroke play.*

- **In match play**, the players should be left to resolve differences on their own, whenever possible. If they disagree, the Committee must ascertain whether a proper claim has been made. If so, the Committee must rule on the claim. The Committee must always intervene: (1) when a valid claim is made; (2) if players agree to waive the rules; (3) if a player or players do not start on time; or (4) if there is a pace of play issue observed by the Committee.
- **In stroke play**, the Committee must rule on any situation in which a breach of a Rule has been observed or reported to the Committee, or in which a player has completed the play of a hole with two balls.

If a question cannot be decided by the Rules Committee, the Golf Committee, as a whole, should make a decision. If doubt still exists, the CWDGA Rules Chair or any of the names below may be consulted:

### LOCAL RULES:

The CWDGA has adopted the following Local Rule and recommends it be implemented by all member clubs:

If you, your partner, your caddies, or your equipment accidentally moves a ball or ball marker on the putting green, there is no penalty and the ball should be replaced. The Rule also applies to your opponent or opponents in match play, the other side's caddies, and equipment. In addition, the CWDGA will also implement the following new Local Rule for the One Day Stroke Play, Better-Ball of Pairs, and Senior Better-Ball of Pairs tournaments: The additional two-stroke penalty for failing to include a penalty on the scorecard when the player was unaware of the penalty will be eliminated.

See *The Rules of Golf* "Local Rules." Note that any penalty imposed by a Rule of Golf cannot be waived by any local Rule.
